COMMERCIAL REFRIGERATOR

PRE-ORDER CHECKLIST

A practical first-pass check for distributors and wholesalers.

MODEL: _____
MARKET: _____

01 MARKET & APPLICATION

- ☐ Destination country / sales market
- ☐ Intended use and installation site
- ☐ Indoor / outdoor and expected ambient conditions
- ☐ Required temperature range and product load

02 ELECTRICAL & REFRIGERATION

- ☐ Voltage, frequency and phase
- ☐ Plug type and power-cord requirement
- ☐ Refrigerant type and charge
- ☐ Exact compressor and controller model
- ☐ Climate class / rated ambient condition

03 CONSTRUCTION & CONFIGURATION

- ☐ External and internal dimensions
- ☐ Door / drawer layout and opening direction
- ☐ Stainless-steel grade and thickness by location
- ☐ Insulation method and thickness, if relevant
- ☐ Shelves, casters, drainage and accessories

04 DOCUMENTS & ORDER TERMS

- ☐ Model-specific specification sheet
- ☐ Current certificates for the model and market
- ☐ Packing method and shipping marks
- ☐ Spare-parts and after-sales terms
- ☐ Pre-shipment inspection / test records
- ☐ Order quantity and container-loading plan

VERIFY BEFORE QUOTING Confirm the exact model, destination market and intended use. Specifications and certificates vary by factory, model and destination.
